

Picturing America Celebration

**The Millville Free Public Library
169 Main Street
Millville, MA 01529**

Wednesday, June 24 @ 6:30 P.M.

Through a grant from the National Endowment for the Humanities, the library received a collection of 40 high quality reproductions of American Art. To celebrate Independence Day, we will discuss these works of art. Please bring in a photo of a family member who you think is a great American. We will be making a special craft/frame. This program will also be videotaped, so please come prepared to speak about your family member/loved one. All ages welcome.

Registration is required. Please call Lisa @ 508-883-1887 or email lcheever@cwmars.org
