

TOWN OF MILLVILLE PLANNING BOARD

Procedure for Submission and Approval of Plan of Land Referred to as an **"Approval Not Required"** or **"ANR"** Plan or **"81P"** Plan

If you wish to record a plan of land in the Registry of Deeds or file with the Land Court, and you believe that your plan of land does not fall under the Subdivision Control Law (That is, you are not creating any new streets, but are recording or changing existing lot lines), please follow this procedure:

Have a surveyor prepare an original line or mylar of the plan and five (5) copies, A PDF of the plan, as well as an original Form A (see attached). Make an appointment with the Planner by calling 508-883-1750 so the plan can be reviewed for completeness. Once the plans have been deemed complete, return the original and five (5) copies of the plans along with the completed Form A to the Planning Board office. A check made out to the Town of Millville, will also need to be submitted. See Fee Schedule.

The Applicant, his engineer or other representative is expected to present the plans to the Board at the assigned meeting.

The ANR plan must contain the following information:

1. Identification of the plan by name of owner or record and location of the land in question.
2. Plans shall be prepared by a professional land surveyor.
3. The statement "Approval Under Subdivision Control Law Not Required" and sufficient space for the date and the signatures of all five (5) members of the Board and an explanatory statement as to why approval is not required.
4. Zoning classification and location of any zoning district boundaries within the locus of the plan, and including a north arrow.
5. The boundaries of all lots newly established, changed by the plan or to be recorded without change, including any remaining land, and the dimensions of the required street frontage for every lot. The frontage street shall be identified by name.
6. Notice of any decisions by the Zoning Board of Appeals, including, but not limited to variances and exceptions regarding the land or any building thereon.
7. Abutters from latest available Assessors' records, unless the applicant has knowledge of any changes subsequent to the latest available Assessors' records.
8. All existing above - and structures, stonewalls, streams and wetlands.
