A meeting of the Board of Health was held on April 13, 2016 at 8 Central Street, Millville, MA in the Board of Health office. The Meeting was called to order at 6:00 PM.

**153 Central Street Complaint:**

An email was send on 04/12/2016 from Candace Staples:

**“As a Millville Resident, I would like to request that a Board of Health member investigate (ASAP) the property at 153 Central Street. It is a main road in this town, and it is hard to believe no one has done anything about that property yet. besides being an eye sore, I think at this point it is a health hazard. The property has not been maintained, there is some type of camper & tent on the property. Along with other debris. I also believe because of the lack of maintenance to the property it has caused a stray cat problem, which means possible mice. I have also noticed, there is random trash, old furniture, burnt furniture, the list of issues goes on & on.”**

C. Robinson drove by the property on 04/13/2016 and did not see any Board of Health related issues. *There was a camper parked behind the house.*

**Assistant Animal Inspector:**

Tabled for the next meeting – R. Marks not present as D. Ciccarelli is the inspector to be nominated.

**Meeting Minute Approvals:**

Minutes for 12/19/2015, 02/13/2016 & 03/16/2016 were unanimously approved by the Board.

**EPA – Questions Possible Breakout/Hope Street:**

A representative from the EPA had come into the office asking about a possible breakout on Hope Street. The Board of Health member, Dustin Ciccarelli had already investigated a possible breakout in the same location that was brought to the BOH's attention by the Highway Department and saw no issue at that time.

C. Robinson motioned to adjourn the meeting – D. Ciccarelli seconded the motion, motioned passed. Meeting adjourned.
