

BOARD OF SELECTMEN
MINUTES OF THE MEETING

NOVEMBER 14, 2005 - 5:30 p.m.

WORKSHOP WITH SAFETY COMMITTEE

MEMBERS PRESENT: D. McCutcheon, Chairperson; P. Savage, Vice Chairman;
B. Dicks, Selectman; T. Petrowicz, Selectman

MEMBERS ABSENT: K. Gikas, Selectman

OTHERS PRESENT: M. Renaud, Emergency Management Director; J. Dean,
Highway Surveyor; L. Clement, Deputy Fire Chief;
S. Horne, Executive Secretary; H. Coffin, Minutetaker

The purpose of this Workshop was to discuss the institution of parking tickets in Town and the signage needed. The Board asked the Safety Committee members to advise the Board as to where signs should be placed in Town and where the "problem areas" are in Town that should be addressed. Lengthy discussion among the Board and Safety Committee regarding these issues. *Attached is the listing of specific areas discussed.*

The Board asked the Safety Committee to review the completed sign and painting list, make any corrections, additions, or changes and return the list to Helen Coffin.

The Board would like to obtain information from Town Accountant as to where the funds received from ticketing would be placed, and if they could be used in a "Revolving Account" for additional safety-related matters, such as additional street signs.

Once the signage and painting list is reviewed and confirmed by all parties, J. Dean is to check his supply of street signs to determine what additional signs will need to be ordered and the approximate cost to the Town. He should let the Board know.

Questions were raised regarding the Providence Street sidewalks previously offered by Afonso. The Board asked if this issue could be re-visited. Check with Planning Board.

There needs to be yellow lines drawn in front of fire station, curb to curb...so that the station is not blocked by vehicles waiting at the traffic light. Sue Horne is to inquire with Mass Highway about their painting these lines.

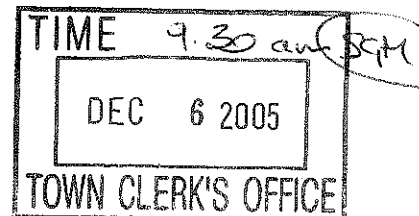

J. Deans suggests initiating the Winter Parking Ban from November 15, 2005 to April 1, 2006. Motion made and seconded to make effective the Winter Parking Ban effective November 15, 2005 to April 1, 2006 and show on cable. *Note was unanimous.*
