## **Minutes**

### **GENERAL**

On a motion made by Mr. Drew; seconded by Mr. Coupe, the board voted 3/0 (Drew, Coupe, Maloney in favor) to accept the meeting minutes of 2/24/2020, 1/13/2020 and 12/19/2019 as written.

### **PUBLIC FORUM**

- Mr. Richard Hurteau attended the meeting. He submitted written questions to the Board (attached). Requested to be on the next meeting agenda. He also requested a copy of the signed minutes from 2/24/2020.
- Richard Copeland, 190 Central Street, attended. He was asking questions about where to get and how to submit paperwork.
- Robert Poxon, 210 Chestnut Hill Road, attended, wanting to confirm that the board was in receipt of his application.

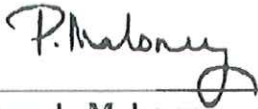

### **PLANNING BOARD FORUM**

The Board had received an email from Mr. Cole Young 132 Thayer Street asking why the board denied a waiver request for fees associated with his application for an accessory apartment special permit. The board reiterated that there was no precedent or cause for waiving these fees; there is an application explicitly for the purpose of the project.

In discussing the recent interviews held for Town Planner, the board agreed that the candidates seen were not going to be a good fit. Peter Caruso, the town administrator had submitted a revised job description that combined the Planning Board position with a special assistant to the Town Administrator position, making the entire position Full Time. The board agreed that a full time position would likely produce better quality candidates, specifically, candidates that would be more committed to the position. The board agreed to report the position to MMA and Indeed.

The board discusses reaching out to CMRPC for some assistance with current applications. Ms. Maloney agreed to reach out.

Mr. Drew made a motion to close the meeting, seconded by Mr. Allen. The board voted unanimously to adjourn at 8:13pm.
