New Electronic Library Cards Now Available
Submitted by Evelyn McNamara

Our library is now completely electronic. What does this mean for you? First, whether you do or do not already have a Millville library card, in order to access any item at our Millville Library, you will need to stop in and get your electronic card, making it possible for you to go to any library in Massachusetts and check out material that library has. However, it is not necessary for you to travel elsewhere. If the item desired is not at our library, Kristen Webb will order it for you through inter-library loan. Deliveries are made to Millville twice weekly and you will be notified about arrival for pickup at the Millville Library. This notification is in the form of an email which you will receive several days before the material is here. If you do not have email, then the librarian will call you. There is no charge for this service. What could be more convenient? Many of Millville’s patrons have been amazed at the personal touch provided by Kristen Webb. She knows their preferences, whether type of book, special author, favorite series or new offerings. She now has at her fingertips the ability to look up what you want and where it can be obtained, and if the Millville Library does not have it, order it for you. What a wonderful, helpful and free service!

When you check out material from our Millville Library, loan time is three weeks for all items (movies are due back in one week). There is no fine for overdue material, and unless another patron has requested a “hold” renewal is allowed. If you request material from another library through inter-library loan, you will be informed of that library’s special requirements. Items borrowed though inter-library loan, simply return to the Millville Library.

After Millville’s certification, time was required to make all items on our shelves ready for electronic checkout. During that time you may have obtained an electronic card from another library. That card may still be used. However, if you come in and simply replace it with a Millville electronic card, your usage will be reflected in the Millville library statistics which we need to report annually.

Be sure to stop in now and get your new Millville electronic card!

JILL’S JOTTINGS

Did you know that we have free WiFi here at the Center? You will need a password from me and then off you go to surf the ‘net! Our three public use computers are available whenever the Center is open.

Our faithful Monday front desk volunteer, Claire Remillard, has had to step down and we are looking for one or two volunteers to answer the phone and do light office work on Mondays. For now we would like to fill this position from 9 am to 2 pm. This is a job for a “people person” who doesn’t get bored if the phone is quiet for long periods. (Bring a book or magazine.) Thank you, Claire for your many hours of service, !

Do you know someone who could benefit from (M-F) delivery of a hot lunch from Meals On Wheels? This service is coordinated by Tri-Valley Elder Services, who will send an intake coordinator to determine whether someone is eligible. They will also recommend other programs and services that might help someone stay in his/her home. Basically, a person must be 60 plus years old and homebound to receive Meals On Wheels. For more information call Tri-Valley at 508-949-6640 or 1-800-286-6640.

While Open Enrollment is over you can still change your health insurance plan if you wish to enroll in a Tufts Health Plan. That company recently received the top rating that the government provides and seniors can switch to their “5-star” plans once a year. For more information about this you can make an appointment with our SHINE counselors, who visit us monthly (and Bellingham Senior Center weekly), call the SHINE program at its offices at the Milford Senior Center at 508-473-8334 or google “Tufts Medicare Preferred”. Take care and stay warm!

FEBRUARY SENIOR CLUB MEETING

(A Pre-Valentine celebration)

Officers of the Senior Club met recently to finalize plans for a Pre-Valentine Celebration at the February 8th club meeting. There will be plenty of “heart” warming laughter as Comedian David Shikes debuts at the Millville Senior Center with a standup comedy routine. Mr. Shikes is a “popular favorite at the Springfield Senior Center and promises to be funny while remaining appropriate!” Plan to join in the fun and enjoy some much needed laughter. The popular roast chicken dinner will be served by the Bocce Club with all the fixings for only $10.00. (You can also expect some “heart shaped” treats to help celebrate our “Pre-Valentine” event). In addition to the food and entertainment, President Richard Hurteau, will be seeking membership input on several important topics such as reactivating a “Sunshine Committee;” suggestions for future Senior Van trips, club meeting meal catering and a new approach to “take home” meals. The 2016 Membership dues may be paid at this meeting and the popular 50/50 event will be returning under the direction of Paul Gauthier and Gil Tashereau. Membership participation and suggestions are essential to the Senior Club moving forward in 2016. Call or stop in at the Center to reserve your place soon!!!
**NEWS YOU CAN USE**

**BANISH THE WINTER BLUES---THINK SPRING!!!!!**

A sure cure for possible winter blues is to order your garden seeds and begin preparing for next season’s garden. Picking out seeds and preparing for a spring garden can help deal with winter blues. The first two decisions are: what you want to grow and how much to order. So browse through your favorite seed and bulb catalog and begin planning your spring garden!!!!

**WINTERIZE TO PREVENT FALLS**

Here are some simple steps that you can take today to reduce falls.

1. “Winterize” shoes, boots and assistive devices.—Attach spikeless ice and snow shoe gripper sole covers to shoes for extra stability when walking on slippery surfaces. (Look for these at sporting goods stores).
2. Attach an ice gripper cane tip that has spikes on the bottom to penetrate the ice and secure a firm grip. (Ice grip tips can be purchased online).
3. Choose winter shoes with rubber soles to maintain traction on slippery surfaces.
4. Carry a zip top bag filled with a lightweight kitty litter and cast it out on slick surfaces. Help make this season a safe, warm and wonderful one for your family and community!

PAUL’S PUNS (Submitted by Paul Gauthier)
(The importance of “PROOF”)

A man went to his lawyer and told him: “My neighbor owes me $500 and he won’t pay up; what should I do?” “Do you have any proof that he owes you the money?” the lawyer asked. “Nope,” the man replied. “OK, then write him a letter asking for the $5000 he owes you,” said the lawyer. “But he only owes me $500,” the man replied. “Precisely. That’s just what he will reply and then you’ll have your proof!” Thanks, Paul Gauthier!!!!

DO YOU HAVE YOUR HOUSE NUMBERED??

According to the Town of Millville Bylaws, it is the owner’s responsibility to maintain the street number on the front of the building or in the area of the main entrance of every residential, industrial or commercial building. (Please see the bylaw located at www.millvillema.org).

Violations and Penalties:
Whoever violates any provision of this bylaw shall be liable to a penalty of $1.00 per day for each date during or on which failure to so number continues, commencing 10 days following date of receipt of written notice from the Town Clerk.
